

Dear Parents,

Welcome aboard!

During the General Emergency drill today, the Youth Staff will distribute wrist bands to all children 11 years of age and younger. These wristbands will indicate your muster station in bold letters and must be worn at all times. If, at any time during the voyage, a child loses or break his/her wristband, replacement bands will be available in the children's play area or at Guest Services. Please note that as parents, it is your ultimate responsibility to ensure that your child wears the wristband throughout the duration of the cruise.

In the unlikely event of an emergency, while your children are participating in a Camp Carnival activity they will be guided to the designated assembly area. This area will be mentioned at the General Emergency Drill, the Camp Carnival Orientation Meeting and in the Children's Activity Capers. At that time, the children will be divided into groups according to their Muster Station, and a member of the Youth Staff will take each group to the corresponding muster station to meet their parents.

It is imperative that children 11 years old and younger ALWAYS wear these wristbands for safety purposes. For further information regarding the Children's Emergency Procedures, please be sure to attend the Camp Carnival Orientation Meeting this evening.

Thank you, and Bon Voyage!

Sincerely,
Carnival Cruise Lines
