Sea TREK

Sea Trek is the easiest and most comfortable way to explore underwater. It is as simple as walking and breathing. A space age helmet sits comfortably on your shoulders while a continuous flow of air lets you breathe with ease. Your hair doesn't get wet and you can even wear prescription glasses.

All tours are fully guided by our professionally trained staff who will be with you every step of the way.

Can't swim. No problem!
Sea Trek is great for the non-swimmer.

SAND DOLLAR
SPORTS

Sea Trekking is as close as it gets to the sensations of walking in space. An adventure you will always remember.

- For ages 8 and up
- Swimming skills are not required
- Tour is fully guided, safe and easy
- Fun for the entire family
