# 3 1/2 Hours of Discovery!

*Exclusive Jewels of the seas at the Cameo Institute*

*Take advantage of the opportunity to experience the thrill of underwater discovery as well a chance to explore and shop in the quaint West End Village. And approx. 30-minute scenic drive will take you to a beautiful bay where you will descend a few steps & board our observatory glass-bottom boat, from which you can view the treasures of the deep. While you are seated in air-conditioned comfort, our guide will explain the underwater environment, as you observe beautiful coral formations, living reef, and colorful tropical fish. And then you will be take to the center of West End Village, in our beautiful meeting point built on the water, where complimentary Honduran coffee, lemonade or iced tea are offered. There are several shops made along the beach with time for shop or relax on the nearby white sandy beach. Last but not least, visit the only Cameo Factory in the Americas! Enjoy watching master craftsman create both classical & modern cameo masterpieces. And don't forget that you will be paying factory direct prices.*
