in the West End Village!

Play with
Tropical Toucans and
colorful Parrots !

At the Carambola Botanical Gardens, an experienced naturalist guide will lead you on an easy walk through the jungle garden, offering insights on the variety of hummingbirds and tropical plants that you may spot along the way. Then, you are off to the Butterfly & Bird Park where you will be able to witness the phases of the butterfly's life and admire other tropical wildlife.

When reaching the West End Village, you will have approximately one hour to tour the village on your own!

For those who prefer not to walk, you will find yourselves welcome at our beautiful waterfront bar where you can relax and enjoy a complimentary refreshment before your return to the ship.
