

# Tenders & Tender tickets

---

## **General Tender Information**

Tenders are boats which run continuously to transfer you from the ship to the shore & back. Where the tender drops you off on the pier is the same location to catch the tender back to the Legend.

## **For all Guests on a Tour**

**All guests who have booked a tour, you do not need a tender ticket.** Please meet in the assigned lounge, listed on your Tour Ticket, 15 minutes before your tour says to meet.

## **For all guests NOT on a tour:**

**Tender Tickets will be available starting at 9:30am  
in the Follies Lounge Deck 2, forward**

Any guest who is NOT on a tour and would like to go ashore early, MUST have a numbered tender ticket.

Once you are ready to go ashore starting at 9:30am, please proceed to the Follies's Lounge, Deck 2 Forward, to receive a numbered ticket,. Then wait in the Follies Lounge to be lead down to the gangway for you to go ashore.

Please let the sailors assist you when boarding the tenders. An announcement will be made informing all guests when tender tickets have stopped. After that announcement, you may proceed to the gangway at your convenience.

If you are traveling with a large group, please ensure that all of your group has the same tender sticker number. Once the tendering sticker operation begins, it can take awhile to finish. We ask for your patience and understanding in these operations. Due to the increased security levels at all of our ports we have found that things can be very slow and unpredictable at times.

Thank you !
